Eco-muesli bowl *Good Morning*

A bowl does not always have to be round. Great square-brimmed muesli bowl with excellent grip and hold at the edges. Very good for stacking. Made from bioplastic, the bowl is available in four wonderful, natural colours.

 Plastic
 162 x 162 x 62 mm

 200 pcs, without individual carton

 5

Eco-spoon

Perfect for coffee, muesli and much more. Durable teaspoon with rounded edges. Made from bioplastic, the spoon is available in four wonderful, natural colours.

 Plastic
 145 x 31 mm

 1000 pcs, without individual carton

 5

Eco-muesli bowl

2 Colour, matt inish

Perfect for tomorrow's breakfast. This muesli bowl comes with an extra integrated stand ring at the bottom for particularly good table stability. Two-tone and super stackable. Made from bioplastic, the bowl is available in four wonderful, natural colours. Capacity: 0.5 litres.

Plastic
80 x 136 mm

45 pcs, without individual carton
5

Eco-mug

Arica

Perfect for the next cup of coffee. With its generous handle, pleasantly circular brim and stable design, this mug is the perfect day-to-day coffee companion. Made from bioplastic, the mug is available in four wonderful, natural colours. Capacity: 0.3 litres.

Plastic
88 x 84 mm

50 pcs, without individual carton
5

Eco-up

Colour, 0.4 l

Just right for quenching your thirst! Sturdy, easily stackable drinking cup. Made from bioplastic, the cup is available in four wonderful, natural colours. Capacity: 0.4 litres.

Plastic
136 x 87 mm

150 pcs, without individual carton
5

Eco-up

Colour, 0.5 l

Plastic
163 x 87 mm

100 pcs, without individual carton
5

Eco-lunchbox *Match*

A touch retro, but still totally fashionable. Spacious lunchbox comprising two rectangular bowls attached by an elastic band (65% polyester, 35% latex). The lid can be completely pulled over the base, but its side recesses also make it easy to remove. IMould embellishment possible. Made from bioplastic, the lunchbox is available in four wonderful, natural colours.

 Plastic
 179 x 130 x 61 mm

 45 pcs, without individual carton
 5

Eco-lunchbox *Switch*

Two is better than one. Lunchbox with double-click closure and insertable hinge for a secure hold. Both halves of the box can be made in different colours and embellished with IMould motifs, to allow for more advertising space and to capture even more attention. Made from bioplastic, the lunchbox is available in four wonderful, natural colours.

 Plastic
 145 x 125 x 50 mm

 60 pcs, without individual carton
 5

Eco-muesli bowl *1 Colour, matt inish*

The perfect companion for tomorrow's breakfast. The muesli bowl has an extra integrated circular rim on the bottom, making it particularly stable. In a single colour and super stackable. Made from bio-plastic and available in four wonderfully beautiful colours.

 Plastic
 80 x 136 mm

 45 pcs, without individual carton
 5

Eco-shaker *Protein*

Perfect for making a post-workout protein shake. This transparent screw-top shaker contains a closable drinking aperture and an embossed measurement scale in 50ml increments. It also comes with a removable sieve, so a thorough shake is all that's needed for the perfect mix of protein powder and liquid. It can be completely disassembled, which makes it very easy to clean. Made from bioplastic, the shaker is available in four wonderful, natural colours. Capacity: 0.6 litres.

 Plastic
 200 x 96 mm

 40 pcs, without individual carton
 5

Coffee mug *Premium, Frozen*

Four hip new colours for coffee on-the-go! Practical To-Go cup made from double-walled Plastic, incl. a lid with drinking opening. The lid screws on and therefore stays on the cup particularly securely. Fits inside standard in-car cup holders. Capacity: 0.35 litres.

The clever shopping container *that cares for the environment.*

1. Bring in clean storage containers and place them (opened) on the tray on the counter.

2. An employee accepts the tray and fills the container with the desired foods.

3. The employee places the filled container with the tray on the counter again.

4. Close the storage container, attach a price label and place it in the shopping trolley.

Storage container 05200 is not just a microwave container and freezer container in one – it is also the perfect shopping container for products from the fresh department: sausages, meat, cheese, delicacies and much more can be placed in the container. This avoids the use of packaging, and the items remain fresh. Pretty clever!

The 05200 reusable storage container avoids unnecessary packaging.

Storage box *Hot and Cold*

Handy square-shaped storage box for cooling and heating delicious meals. The removable lid includes a rotary knob which allows the steam to escape during the heating process in the microwave. Dishwasher safe and microwave safe up to +110°C.

Ice scraper *TopGrip – 3D Vision*

A cleverly designed ice scraper – MADE GERMANY. The shape of the ice scraper makes it comfortable to handle. The anti-slip material on the handle helps to efficiently and quickly scrape off any ice that is on the windshield. The jagged edges on the top side of the ice scraper easily help to remove thick ice sheets. The hollow inside of the handle can be matched to the anti-slip grip on the handle with color or it can be filled with an individualized 3D-Logo.

Plastic / PS
215 x 100 x 27 mm

40 pcs, without individual carton
5

Ice scraper *TopGrip – Digital Vision*

A cleverly designed ice scraper – MADE GERMANY. The shape of the ice scraper makes it comfortable to handle. The anti-slip material on the handle helps to efficiently and quickly scrape off any ice that is on the windshield. The jagged edges on the top side of the ice scraper easily help to remove thick ice sheets. On the inside of the handle there are two inlayers fastened. These can be finished with UV-Digital printing of photo-realistic designs for effective advertising.

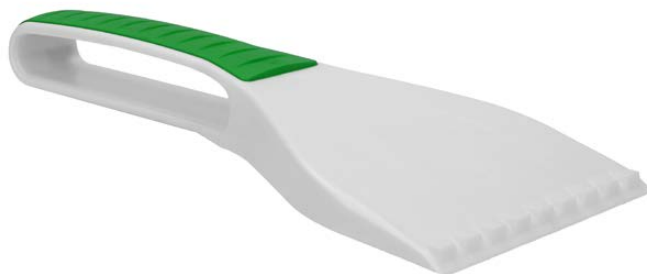

Plastic / PS
220 x 100 x 27 mm

40 pcs, without individual carton
5

Ice scraper *TopGrip – Clean Vision*

A cleverly designed ice scraper - MADE IN GERMANY. The shape of the ice scraper makes it comfortable to handle. The anti-slip material on the handle helps to efficiently and quickly scrape off any ice that is on the windshield.
