

LOOKBOOK 2021

OUR MATERIALS & FABRICS

All the fabrics are made from organic, sustainable or recycled materials to ensure that our envi-ronmental footprint is as gentle as possible – GOTS-certi-fied organic cotton, Tencel® made from FSC/PEFC-certi-fied wood pulp, GRS recycled cotton, and GRS recycled polyester. While making this eco-conscious decision,

we never compromise on comfort, style or functionality. Whatever the type of knit or weave – from smooth single jersey, durable piqué and cozy sweats, to robust ripstop and sturdy canvas – we always choose our fabrics with the utmost care to ensure the best possible fit, feel and perfor-mance, as well as superior printability.

MATERIALS

ORGANIC COTTON

Natural, GMO-free fibre grown without any chemicals. Our cotton yarn is made of long staple fibres only, and is combed and ring spun. Soft, breathable, and easily printable.

RECYCLED COTTON

Made from pre-consumer waste, including our own cutting waste. Shorter fibres require blending with higher-quality fibres like recycled polyester for accessories and organic cotton for t-shirts.

RECYCLED POLYESTER

Made from recovered PET bottles to reduce plastics pollution. All components on our jackets are recycled polyester, easing end-of-life recyclability. Strong and durable.

TENCEL®

Made from wood pulp from FSC/PEFC forests. These fibres are blended with organic cotton to offer added coolness and a fluid drape.

KNITTED FABRICS

SINGLE JERSEY

The basic knit structure where the front side is smooth, while the back side is piled with loops.

SLUB SINGLE JERSEY

The same as single jersey, but with slub yarn, which gives the irregular appearance.

LOOSE SLUB SINGLE JERSEY

Slub yarn knitted in a looser way, giving a more flexible fabric.

PIQUÉ

Knitted using tuck stitches to create a honeycomb-like geometric structure, commonly used for polo shirts.

FRENCH TERRY

The front side has a smooth jersey structure, while the back side has a distinct loop structure.

BRUSHED

Sweatshirt fabric is called “brushed” when the inside loops of a French terry knit are carefully brushed, for a soft, warm feel.

SHERPA

Fabric that is brushed on the front side for a sheepskin look, and that feels cozy and warm.

1X1 RIB

Used for sweatshirt cuffs and hems, with single alternating wales that look identical on both sides of the fabric and offer greater stretch.

2X2 RIB

Used for sweatshirt cuffs and hems, with double alternating wales that offer even more elasticity than 1x1 rib.

WOVEN FABRICS

PLAIN WEAVE

The most common type of woven fabric, with yarn in a criss-cross pattern.

RIPSTOP

Woven fabric reinforced with cross-hatched threading for better resistance against rips.

CANVAS

Highly durable plain weave, woven with threads of different sizes.

OUR COLOURS & DYEING TECHNIQUES

Our garments are available in one of the widest ranges of colours on the market, offering you a truly amazing choice – from whites, solid colours and heathers, to our unique all-over prints and creative garment dyeing techniques like vintage and aged, tie & dye and dip dye. The vast majority of our solid colours are fabric dyed, giving excellent shade consistency and printability. Heathers are knitted with yarn made from fibres of two or more different

colours, and we are one of the few brands offering heathers in 100% organic cotton. Our vintage items are garment dyed, followed by a garment wash to create a faded effect. Other special dyeing techniques like tie & dye or dip dye are all hand dyed for a unique look. Care labels on every garment provide clear instructions on how to keep garments looking great, wear after wear.

NATURAL RAW

Untreated cotton, textured with tiny specks of the original cotton plant. Fabric finished with softener wash only.

SOLID

Fabric dyed, giving a uniform colour effect.

HEATHER

Fibre dyed, mixing two or more different-coloured fibres, spun into a yarn.

DENIM

Yarn dyed and garment washed, where washing time defines the final shade.

VINTAGE

Garment dyed using pigment dyes, with garment washing to give a faded effect. For aged colours, rubber balls are used during washing.

TIE & DYE

Base colour is fabric dyed. After stitching, the garment is tied according to the pattern and hand dyed with one or more colours, then finished with garment washing.

DIP DYE

Base colour is fabric dyed. After stitching, the garment is dipped into one or more colour baths, then finished with garment washing.

ALL OVER PRINT (AOP)

Base colour is fabric dyed, and remaining colours of the AOP pattern are screen-printed on top of the base fabric.

EXCEPTIONAL PRINTABILITY

We go to great lengths to make it as easy as possible to transform our garments into your own, and our collections are widely recognised as offering the best printability on the market. The materials we use and the refined processes we have developed give our garments an exceptionally smooth and even printing surface. This means that print

colours come out brighter, coverage is more uniform, and there is less ink wastage. We also keep your branding in mind when designing the details of our garments. Features like off-centred size labels, half moons on all our sweatshirts, and a hidden zip on our lined garments make decoration easier.

DESIGNED TO BE DECORATED

NO CENTRED NECK LABELS

All our products are designed with you in mind, and we leave free space to place your own branding.

OFF-CENTRED, TEAR-OFF NECK SIZE LABELS

Creating space for your own branding.

HALF MOON

All our sweatshirts feature a half moon for easier inside branding.

TEAR-OFF BRAND & CARE LABELS

Easily remove the branded label, while keeping the composition and care instruction labels on the garment.

HIDDEN INSIDE ZIP

Lined garments are designed with a hidden inside zip. This gives better accessibility for decoration, and means embroidery can have a clean inside finish without catching the lining.

NEW

FREE SPIRIT

With SS21, we celebrate the true freedom that comes from within. A state of mind that looks beyond boundaries and embraces the very essence of life and ourselves. Authentic, brave and optimistic. Trust your heart. Choose your own path.

UNISEX

Wear, share, care. Turn down the volume on stereotypes and live life on your terms. Unisex styles that look great on any body, empowering you to be your authentic self.

COLOURS AND DYES

Add a splash of individuality with one-of-a-kind tie & dye and hazy, tonal dip dye. Express your love for florals with our vibrant all-over print. Or go for a nostalgic, vintage vibe with dreamy 'aged' versions of our new SS21 colours.

TOTAL LOOK

Prioritise comfort without sacrificing style in our throwback to the 90s tracksuit. Pair laid-back pieces in matching colours for a chilled, monochrome look. Or mix and match colours for creative, comfy combinations. Perfect for whatever you've got going on, from road trip to trip round the block.

NEW COLOURS FOR SS21

Our new SS21 collection brings a peaceful, nurturing palette that will appeal to both colour-lovers and those with a preference for neutrals. Taking inspiration from nature, and embodying the free spirit and optimism of the season, the palette features five solid colours that are organic yet modern, calming yet inviting. Seven expressions of freedom complete the new palette, with creative tie & dye and dip dye combinations; aged blue, lilac and teal for a reassuringly lived-in, vintage look; and an energising floral all-over-print.
